

THE QUIET ONE®

The Quietest Commercial Blender Available

The ultimate blender with unparalleled sound reduction, exceptional beverage blends, and improved speed of service.

Smart Product Design

- Up to 4 times quieter than the competition due to the advance vibration dampening technology; resulting in quality drinks in a more enjoyable atmosphere
- Magnetically secured floating sound enclosure is dramatically easier to clean and disassemble. No screws to damage the enclosure
- 6 program buttons with 34 optimized programs for easier, consistent blending
- Advance® container creates faster, smoother pouring and has a longer blade life resulting in time and cost savings along with improved customer experience
- Air management and powerful ≈ 3 peak output HP motor reduces noise, improves reliability and reduces down time
